## Town and County News

F. S. Patrick returned from Chicago last Monday. He had been called to that city on the account of the death of his mother.

Mrs. A. H. Fly, after spending a couple of weeks the family of A. W. Foster, returned to her home in Jackson last Friday.

We are requested to announce preaching in the new stock store building in Hinkledale next Sunday afternoon and night. Everybody is invited.

A. W. Foster is attending the Banker's association at Knoxville this week. He left last Tuesday morning and will return the latter part of the week.

Rev. B. T. Huey preached at the Baptist church last Sunday morning and evening. He had very fair crowds and preached two good sermons.

Mrs. J. D. Taylor, of the Twenty third district, who has been sick for some time with rheumatism, is growing worse and her relatives are very uneasy about her, as her condition is gradually becoming more serious.

Virgil Massey has returned from the Vanderbilt Medical College, where he has been for the past school year. This was his second year. Mr. Massey will likely spend the summer in Huntingdon.

Rev. George L. Johnson and W. L. Noel, delegates from the Hopewell-Madison Presbytery to the General Assembly at Louisville, Ky., returned last Saturday. They report a magnificent meeting of that body and were delighted with their trip.

Miss Hattie Mai Anderson, of Martin, spent Sunday in Huntingdon and sang at the Baptist church Sunday night. She has a splendid

voice, well trained and her singing was very much appreciated. She left Sunday night for Cincinnati to attend a conservatory of music.

Work was commenced the latter part of last week grading the south side of Nashville street preparatory to putting down concrete walks on that street. A large number of hands are at work this week and the work is moving along very well.

We are requested to announce that Rev. Gwinn, pastor of the C. P. church, will hold a communion service at his next regular appointment here, which will be the second Sunday in June. This ordinance was to have been observed at his last appointment but the service was called in on account of the commencement at the I. T. S.

A large crowd attended the all-day singing at Bethel in the Forks of the Creek last Sunday. Singers were there from all over the county and some splendid music was rendered. These all-day singings are very much enjoyed, and are productive of much good. There is nothing that adds more to church services than good singing, and we have some fine singers among the young people of the county.

The roof and outside woodwork of the Baptist church is being newly painted. The old pews have been sold to the Hollow Rock church and new pews will be installed. They have already been purchased and will be installed sometime during this month. The ladies of the church are also preparing to put down a new carpet. The interior as well as the exterior of the building will be greatly beautified by these improvements.

### Resolution of Respect.

To Master Wardens and Brethren of Pilgrim's Rest, No. 388, F. & A. M., we your committee to draft resolutions of respect and brotherly love regarding the death of our much beloved Worshipful Master, beg leave to report the following:

Whereas it has pleased almighty God in his divine wisdom to call our beloved brother, Jno. M. Dunlap, to that grand lodge on high, it is with sad hearts that we thus report.

Bro. Dunlap was born June 30, 1861, died March 31, 1912, aged 50 years, 9 months.

He was a devout christian, a very consistent member and worker in the C. P. church and Sunday school from early youth.

He was initiated into Pilgrim's Rest lodge on August 10, 1901, passed to the degree of a fellow-craft on Sept. 8, 1901, raised to the sublime degree of a Master Mason on Oct. 12, 1901. In December of the same year was elected Senior Warden, served in that station until Dec. 1904, at which time he was elected Master. This station he filled faithfully and true, with credit to himself and lodge until death.

Therefore be it resolved,

1st. That our lodge has lost one of its best supports; in Masonry; a man who ruled over the craft with justice and candor, the church and Sunday school a true christian laborer in the Master's work.

2nd. That while we deeply mourn his death, we feel confident that our loss is his eternal gain. Thus we bow submissively to the will of Him who doeth all things well.

3rd. That we drape our altar with mourning in the usual way for 30 days.

4th. That we extend to the four children and all relatives our heartfelt sympathy in this their great and sad loss, and would point them to Him who alone is able to administer to their sorrowing hearts.

5th. That these resolutions be spread on our minute book, a copy furnished the children, and a copy sent to one or more of the local county papers for publication.

Fraternally submitted,

L. J. Young, }  
T. B. Aden, } Committee.  
C. J. Cooper, }

### CASE REVERSED

W. M. Stanford Wins Out in the Supreme Court.

The supreme court, in session at Jackson, Thursday of last week, announced the disposition of a number of cases decided by the court of civil appeals at its session held easily in the year.

Among these was the case of W. M. Stanford vs. Pearl Stanford, No. 3, Carroll law; court of civil appeals and circuit court reversed and decree order awarding petitioner custody of the child. Leave granted the mother to see the child at the home of the child's father or paternal grandfather once a month.

This case was before the circuit court here several times, was bitterly fought by both sides and much interest was manifested in the outcome.

### BEWARE THE TREE BUTCHER

Indianapolis, Speaking from Experience, Sounds a Warning That Is Well Worth Heeding.

The influence of the tree trimmer in increasing the susceptibility of a tree to insect attack is often of more importance than would appear at first glance. Many trees are so weakened by wanton butchery that they become an easy prey to the various borers that seldom attack vigorous trees. While this vandalistic form of injury is preventable it is surprising how many people continue to allow the tree butchers to ruin fine shade trees. The tree butcher goes on P. T. Barnum's old assumption that "there is a sucker born every minute." The truth of this was well shown in Indianapolis last year when some itinerant "tree doctor" went about painting the trunks of shade trees with a "dope" containing tar. According to the self-styled expert, the preparation was absorbed through the bark and then disseminated to all parts of the tree, killing any "bugs" that might be present. When there was no evidence of any insect injury the tree doctors would suggest the use of the tar paint to "open up the pores of the bark and make the tree healthy." It seems almost too absurd to believe that intelligent citizens would be caught by such a faker, but even after a series of newspaper warnings he succeeded in painting hundreds of trees throughout the city. The deplorable thing about it all is that practically every tree that was painted died—and there appears to be no law to cover the case.—Indianapolis News.

John D. Rockefeller would go broke if he should spend his entire income trying to prepare a better medicine than Chamberlain's Colic, Cholera and Diarrhoea Remedy for diarrhoea, dysentery or bowel complaints. It is simply impossible, and so says every one that has used it. Sold by all dealers.

Rev. J. G. Cooper, of Hollow Rock, was in Huntingdon on business last Monday. Bro. Cooper is pastor of the Baptist church at that place and the work of the church is progressing nicely. The church has done a great work there recently in the way of building a new house of worship and making other improvements. Mr. Cooper is a live wire and does things. He is doing a fine work at Hollow Rock.
